

HOW TO BLOCK FACEBOOK FROM SHARING YOUR PRIVACY #015

Do you know how much of your private data is being given away freely on Facebook? Follow these steps a.s.a.p. to make sure your settings are correct.

by Teena Hughes

[HTTP://TEENAHUGHESONLINE.COM/015](http://TEENAHUGHESONLINE.COM/015)

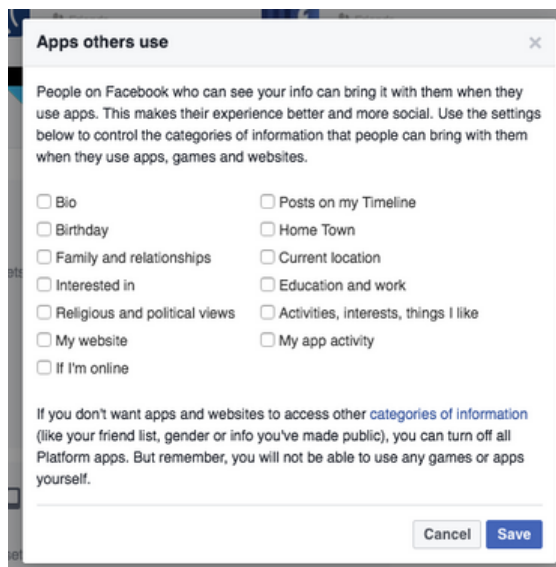

GO TO SETTINGS / APPS

1. Click down arrow in Menu and choose SETTINGS
2. Select APPS
3. See all the APPS signed up for, click one APP at a time, UNCHECK ALL the checkboxes you don't want to share, click SAVE.
4. Open, review, and change if required.
5. These are Settings for ALL your friends' APPS (and their friends etc etc etc). UNCHECK EVERYTHING >>

Click SAVE!

Once these steps have been completed, your privacy on Facebook is back in your control - bravo!
